Dr. Guthe -

re your question as to who in DOD  
recommended to BOB that these things be  
done --

Mr. [REDACTED] said that the letter was  
signed by Sol Horowitz. It was prepared  
in the office of the Director of Admini-  
strative Management (reviewed by a Mr.  
Brewer and drafted by a Mr. Whittington.  
Mr. [REDACTED] said that Mr. Whittington  
said that there was a request from BOB  
asking what committees could be abolished  
(a lot more on the request than on the  
list we have) and he merely got the info  
from various offices and pulled it together.  
He then drafted the letter, it was re-  
viewed by Mr. Brewer and signed by  
Mr. Horowitz.
